

Directions to Our Office:

The Erdey Searcy Eye Group office in Granville is located between Granville and Newark just north of State Route 16 (divided highway) at the Cherry Valley Road intersection. Please refer to the maps and directions below when traveling to the office.

From Granville and/or traveling East on Route 16: enter the left turning lane at the Cherry Valley Road and Route 16 intersection located at a traffic light. A Wendy's Restaurant will be located on your left just prior to the intersection. Turn left heading north traveling approximately $\frac{1}{4}$ (0.28) miles until Cherry Valley Road ends at the cross road: Newark-Granville Road, route 539. At the stop sign, turn left. Traveling only a short distance of 100 yards (less than 0.1 miles), turn right into the Offices at Erinwood. The Offices at Erinwood consists of multiple one story buildings separated by several small parking lots. After turning into the Offices take the first right then the first left into the parking lot in front of the office, 1955.

From Newark and/or traveling West on Route 16: enter the right turning lane at the Cherry Valley Road and Route 16 intersection located at a traffic light. A Wendy's Restaurant will be located on your right just past the intersection. Turn right heading north traveling approximately $\frac{1}{4}$ (0.28) miles until Cherry Valley Road ends at the cross road: Newark-Granville Road, route 539. At the stop sign, turn left. Traveling only a short distance of 100 yards (less than 0.1 miles), turn right into the Offices at Erinwood. The Offices at Erinwood consists of multiple one story buildings separated by several small parking lots. After turning into the Offices take the first right then the first left into the parking lot in front of the office, 1955.
